

## A vibrant autumn-themed illustration. At the top, a large, flowing scarf with orange and yellow diagonal stripes is draped across the scene. Below it, a red rain boot with white polka dots and a yellow handle is positioned next to a large, orange pumpkin with a green stem. To the left of the pumpkin is a green apple with a red leaf. A small snail with a yellow body and a brown shell is on the left. Various autumn leaves in shades of orange, red, and yellow are scattered around, along with a small acorn at the bottom right.

Take a good look at these images. They might appear to be the same at first glance, but they have nine (9) differences. Some may be pretty easy to spot, but others may be much harder. Can you find all 9?
